

Roads around the site

WE WANT improved street conditions for pedestrians and cyclists

We want to STOP the rat runs

We want safe, overlooked streets

We want physical traffic calming measures

Sevier St is a one way route prone to speeding and illegal parking due to use of local shops and rat run via Mina Rd to M32.

Routes marked in blue are rat runs to the M32, causing traffic build up and speeding

"We hate the fact that drivers take shortcuts through our neighbourhood"

Local residents

"A home zone in our street would really improve safety"

Local resident

"Would like to see child friendly areas -- low traffic "

Local parents

" It really worries me that we have such traffic problems and the Brooks site development could make this so much worse"

Local resident

"A new development should be discouraging car use. "

A local resident

TYPICAL PEAK TIME TRAFFIC THROUGH ST WERBURGHS!!

HOME ZONES

The picture above shows a home zone which is a street or group of streets where pedestrians, cyclists and vehicles share the space on equal terms, with cars travelling at little more than walking pace.
